**AGENDA REPORT**

AGENDA DATE 04/18/06  
AGENDA ITEM 10  
WORK SESSION ITEM \_\_\_\_\_

**TO:** Mayor and City Council  
**FROM:** Director of Community and Economic Development  
**SUBJECT:** Approval of Fiscal Year 2006-07 Social Services Funding

**RECOMMENDATION:**

It is recommended that the City Council adopt the attached Resolution approving the allocation of \$400,000 from the City General Fund for Fiscal Year 2006-07 to support the social service projects identified in Exhibit A of the Resolution.

**BACKGROUND:**

On April 11, 2006 a City Council Work Session was held to discuss the funding recommendations of the Human Services Commission (HSC) and staff. In the report, staff noted that the HSC and staff are in agreement with the exception of one application -- No. 15, Instituto Laboral de la Raza's (Instituto) *South Hayward Labor Project*.

The HSC is recommending that \$10,000 be granted to this applicant. Alternatively, staff is recommending that the \$10,000 be set aside until a comprehensive strategy is developed that addresses the concerns raised by day laborers, local business owners and neighborhood residents. Staff indicated during the Work Session that a report addressing this matter will be submitted to Council within approximately 120 days. Staff will seek input from Instituto, and work through the HSC in the developing the strategy.

Council's concern regarding the unmet needs of Hayward's Afghan and other Middle-Eastern immigrant and refugee community members was also noted. Staff will continue to provide information and technical assistance to relevant service providers in order to facilitate the submission of one or more viable applications for future funding.

Attached is the Work Session report that includes a chart summarizing the applications and recommendations of the HSC and staff, as well as a detailed description of each proposed project.

## **CITY OF HAYWARD**

### **AGENDA REPORT**

AGENDA DATE 04/11/06

AGENDA ITEM \_\_\_\_\_

WORK SESSION ITEM \_\_\_\_\_

26

**TO:** Mayor and City Council

**FROM:** Director of Community and Economic Development

**SUBJECT:** FY 2006-07 Social Services Funding Recommendations

#### **RECOMMENDATION:**

It is recommended that the City Council review and comment on this report.

#### **BACKGROUND:**

On October 27, 2005 the City released its Social Services Program Request for Proposals to help non-profit organizations provide needed services to the Hayward community. A total of 31 proposals were submitted by the December 5, 2005 deadline, totaling \$786,434 in requests.

In recognition of the current and likely future reductions to the City's Community Development Block Grant (CDBG), applicants were encouraged to submit those projects most directly related to housing for CDBG funding consideration and those projects of a more general service nature for Social Services funding. Consequently, some proposals have shifted from one source of City funding to another source. Both the Citizen Advisory Commission and the Human Services Commission (HSC) supported this shift and coordinated their proposal reviews.

The Proposal Review Committee (PRC) of the HSC and staff interviewed all applicants in January. The interview process enabled the Commissioners and staff to obtain a better understanding of the projects being proposed and the capabilities of the applicants.

The HSC established its Preliminary Funding Recommendations in February. These recommendations were based on the independent review of all the applications by Commission members, the PRC interviews, and information provided by staff. Prior to its deliberations, the Commission was informed that City Council increased Social Services funding, in FY 2006-07, to \$400,000. The Commission was very appreciative, and based on this information prepared its recommendations accordingly. Of the 31 proposals submitted, the Commission recommends that twenty-four be supported; of these, five are new projects and eight are previously funded projects that are recommended for an increase in support.

Applicants were provided both the Commission's and staff's Preliminary Funding Recommendations along with the rationale for those recommendations. Each applicant then had the option to respond in writing to the Preliminary Funding Recommendations. Eleven (11) applicants submitted a response; some simply conveyed their appreciation for the recommendation. Others clarified the issues raised in the rationale statement. The Commission considered these responses in preparation for its Final Funding Recommendations.

## **DISCUSSION OF HSC AND STAFF RECOMMENDATIONS:**

The Commission and staff sought to achieve a balance between supporting previously-funded services and new services. Of the 31 applications submitted, 12 were for projects not currently supported by the City. Of these, the HSC is recommending that seven be supported, while staff recommends support for six of these seven. A chart of the Commission and staff Final Funding Recommendations is provided as Exhibit A. A summary description of each application, previous support received from the City, and the HSC and staff rationale for their respective recommendations are included in Exhibit B. Overall, the HSC and staff are in agreement in funding all but one instance.

The respective recommendations differ only in regard to Instituto Laboral de la Raza's (Instituto) *South Hayward Labor Project* - No. 15. This program proposes to assist day laborers by providing labor education and legal advocacy services regarding their rights under labor and non-discrimination laws. By establishing an office at the South Hayward Family Resource Center, Instituto will be better able to coordinate its services with those provided through the South Hayward Neighborhood Collaborative.

The HSC recommends supporting Instituto in the amount of \$10,000 to provide the proposed services. Additionally, the Commission encourages this applicant to work with the City and other stakeholders to develop and implement solutions that address the concerns raised by day laborers, local business owners, and neighborhood residents. In lieu of funding this project at this time, staff recommends that the \$10,000 be set aside by Council for the purpose of developing a more comprehensive strategy designed to address the needs of all those impacted by these issues.

## **SECONDARY CONSIDERATION LIST:**

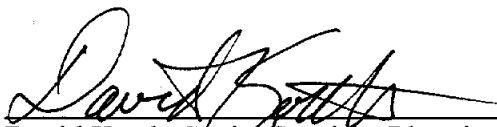

The HSC recommends that the nine applicants listed below be placed on a Secondary Consideration List so that if funds that are allocated to one or more grantee(s) become available at a later date, these projects can be reconsidered:

- No. 2 - Afghan and International Refugees Support Services
- No. 4 - Chabot College
- No. 6 - Community Resources for Independent Living
- No. 8 - East Bay Agency for Children
- No. 11 - Emergency Shelter Program
- No. 15 - Instituto Laboral de la Raza
- No. 18 - Legal Assistance for Seniors
- No. 27 - South Hayward Neighborhood Collaborative
- No. 30 - Tiburcio Vasquez Health Center, Inc.

## **NEXT STEPS:**

The City Council is scheduled to conduct its Social Services Funding Public Hearing and make final funding decisions at its regular meeting on April 18, 2006.

**Applicant:** 7<sup>th</sup> Step Foundation  
**Project:** Malabar House

**Amount Requested:** \$8,625  
**Human Services Commission (HSC) Recommendation:** 0  
**CED Staff Recommendation:** 0

## Agency Description:

Malabar House, an adolescent crisis receiving home in Castro Valley, cares for youth in transition from incarceration back to their family home and community support services, or to licensed group home care as is appropriate. Malabar House is the only crisis receiving home of its kind in Alameda County.

## Summary of Project Proposed for FY 2006-07:

Seventh Step proposes to increase the staffing at Malabar House to achieve two staff, 24 hour wide-awake coverage. Social Services funding is requested to support additional staffing that will provide 24-hour coverage, and to help the agency meet requirements associated with implementing a new Abuse and Molestation Prevention program that also includes increased insurance requirements and costs.

## Social Services and CDBG Funding Previously Awarded to Applicant:

Fiscal Year	Soc. Svcs. Funding	CDBG (PS) Funding	Total
05-06	\$ 0	\$ 0	\$ 0
04-05	0	0	0
03-04	0	0	0
02-03	0	0	0
01-02	0	0	0

## Comments:

### Human Services Commission:

The funds requested in this proposal are for expenses that are also included in the grant application submitted by this agency for City Community Development Block Grant (CDBG) funds. Because the proposal is in support of emergency housing services, the HSC recommends that this application be considered for CDBG funds.

### CED Staff:

Staff concurs with the Commission's recommendation regarding the allocation of FY 2006-07 Social Services Funding.

**Applicant:** Afghan and International Refugees Support Services (AIRSS)  
**Project:** Crisis, education and prevention services for immigrant families

**Amount Requested:** \$23,935  
**Human Services Commission (HSC) Recommendation:** 0  
**CED Staff Recommendation:** 0

**Agency Description:**

The Afghan and International Refugees Support Services (AIRSS) provides a wide variety of services to immigrants and refugees who come from a number of different countries to help them successfully establish their new lives in Alameda County.

**Summary of Project Proposed for FY 2006-07:**

The agency proposes to address the needs of Hayward low income, under-served families (from different ethnic groups) through case management, referral, advocacy, interpretative, and other related services.

**Social Services and CDBG Funding Previously Awarded to Applicant:**

Fiscal Year	Soc. Svcs. Funding	CDBG (PS) Funding	Total
05-06	\$ 0	\$ 0	\$ 0
04-05	0	0	0
03-04	0	0	0
02-03	0	0	0
01-02	0	0	0

**Comments:****Human Services Commission:**

The Commission acknowledges that access to needed social services is difficult for many Hayward residents who are refugees and immigrants due to language and cultural barriers. The Commission further acknowledges that AIRSS has made some improvement in its application as compared to past proposals. However, the proposal submitted still did not adequately describe: A) the basis for determining the number of people to be served; B) an effective outreach plan; C) the methods or system that is in place (or that will be developed) to keep an accurate record of the services provided and to evaluate delivered services; and D) a complete and accurate budget pertaining to agency and project costs and revenue sources. While an attempt was made to address each of these issues in the applicant's response to the City's Preliminary Funding Recommendations, the Commission does not recommend that funds be granted at this time.

The Commission does recommend that City staff continue to provide technical assistance to this applicant. It is also recommended that staff identify similar organizations that serve immigrants and refugees residing in Hayward (including those of Middle Eastern origin) and facilitate more collaboration among these organizations. Finally, the Commission recommends that this applicant be placed on a Secondary Consideration List so that if funds that are allocated to one or more grantee(s) become available at a later date, this project can be reconsidered at that time.

**CED Staff:**

Staff concurs with the Commission's recommendation regarding the allocation of FY 2006-07 Social Services Funding.

Proposal #: 3

**Applicant:** Bay Area Community Services (BACS)  
**Project:** Hedco House Creative Living Center

**Amount Requested:** \$20,000  
**Human Services Commission (HSC) Recommendation:** 20,000  
**CED Staff Recommendation:** 20,000

**Agency Description:**

The Bay Area Community Services (BACS) develops and delivers appropriate and cost-effective alternatives to institutionalization that are designed to improve the quality of life for adults with mental illness, and older adults, throughout Alameda County.

**Summary of Project Proposed for FY 2006-07:**

The Hedco House Creative Living Center provides non-residential rehabilitation services to adults with severe and persistent mental illness. Proposed services include: prevocational activities, socialization, education, counseling, crisis intervention, service coordination, treatment planning, and assistance with employment. Social services funding is requested to serve a minimum of 70 adults with mental health disabilities during FY 2006-07.

**Social Services and CDBG Funding Previously Awarded to Applicant:**

<b>Fiscal Year</b>	<b>Soc. Svcs. Funding</b>	<b>CDBG (PS) Funding</b>	<b>Total</b>
05-06	\$ 14,000	\$ 0	\$ 14,000
04-05	14,000	0	14,000

02-03	14,000	0	14,000
01-02	14,000	0	14,000

**Comments:****Human Services Commission:**

Hedco House continues to be the only community-based program to provide quality outpatient services in Hayward to Hayward residents who have severe long-term mental health disabilities. The services provided are effective and well-coordinated with other government and community based health and social service programs.

**CED Staff:**

Staff concurs with the Commission's recommendation regarding the allocation of FY 2006-07 Social Services Funding.

**Applicant:** Chabot College  
**Project:** National Youth Sports Program

**Amount Requested:** \$10,000  
**Human Services Commission (HSC) Recommendation:** 8,000  
**CED Staff Recommendation:** 8,000

**Agency Description:**

Chabot College is a comprehensive public community college that prepares students to succeed in their education, progress in the workplace, and engage in the civic and cultural life of the global community.

**Summary of Project Proposed for FY 2006-07:**

The National Youth Sports Program (NYSP) at Chabot College is a summer education and sport activity program for at-risk children aged 10 – 16 years. It is a five-week summer program that provides sports instruction; math, science, health, and drug/alcohol prevention education; career planning; and field trips to Hayward youth at no cost. Additionally, transportation is available to and from the program, medical screenings, and two meals per day. The City funds requested will be leveraged with funding from the National College Athletic Association, the United States Department of Agriculture, and Chabot College to support this project. A minimum of 125 children will benefit from the proposed services.

**Social Services and CDBG Funding Previously Awarded to Applicant:**

Fiscal Year	Soc. Svcs. Funding	CDBG (PS) Funding	Total
05-06	\$ 5,000	\$ 0	\$ 5,000
04-05	5,000	0	5,000

02-03	3,000	0	3,000
01-02	3,000	0	3,000

**Comments:****Human Services Commission:**

This summer program's emphasis on math and science education, in addition to athletics, sets it apart from other Hayward youth sports programs. The provision of transportation, which this grant pays for, is key to making the program accessible to Hayward youth who live throughout the City. The Commission recognizes that the cost of transportation has increased; therefore it is recommended that this project receive an increase from the amount funded in FY 2005-06 to \$8,000. It is also recommended that additional funding be sought from the Team Up for Youth Sports Foundation, professional sports organizations and similar funding sources that have a special interest in youth, health and after-school services. The Commission also recommends that this applicant be placed on a Secondary Consideration List so that if funds that are allocated to one or more grantee(s) become available at a later date, this project can be reconsidered for additional funding, up to the amount requested.

**CED Staff:**

Staff concurs with the Commission's recommendation regarding the allocation of FY 2006-07 Social Services Funding.

**Applicant:** Community Alliance for Special Education (CASE)  
**Project:** Hayward Special Education Project

**Amount Requested:** \$11,840  
**Human Services Commission (HSC) Recommendation:** 11,840  
**CED Staff Recommendation:** 11,840

**Agency Description:**

The Community Alliance for Special Education (CASE) offers services designed to protect the educational rights of children with disabilities, and works to promote better understanding and cooperation among parents, the special education service community and the public schools.

**Summary of Project Proposed for FY 2006-07:**

This project is designed to help ensure that children with disabilities who are at risk for school failure receive appropriate special education services. Working cooperatively with the Hayward Unified School District (HUSD), the project will assist students with disabilities and their parents to fully participate in the special education process in order to optimize services for the student. If funded in the amount requested, a minimum of 50 Hayward students with disabilities will be assisted by this project.

**Social Services and CDBG Funding Previously Awarded to Applicant:**

Fiscal Year	Soc. Svcs. Funding	CDBG (PS) Funding	Total
05-06	\$ 9,600	\$ 0	\$ 9,600
04-05	9,600	0	9,600
03-04	9,600	0	9,600
02-03	9,600	0	9,600
01-02	9,600	0	9,600

**Comments:****Human Services Commission:**

CASE has effectively bridged the interests of students with special needs and the fiscal constraints faced by the Hayward Unified School District in a non-adversarial way for many years. The services offered are seen as key to helping many low-income Hayward students with disabilities succeed.

**CED Staff:**

Staff concurs with the Commission's recommendation regarding the allocation of FY 2006-07 Social Services Funding.

Proposal #: 6

**Applicant:** Community Resources for Independent Living (CRIL)  
**Project:** Independent Living Services

**Amount Requested:** \$69,964  
**Human Services Commission (HSC) Recommendation:** 60,000  
**CED Staff Recommendation:** 60,000

**Agency Description:**

CRIL's mission is to support, empower, and teach skills to people who have disabilities so they are able to more fully participate in the community and in daily life activities.

**Summary of Project Proposed for FY 2006-07:**

Proposed services, designed to assist consumers in achieving their self-identified goals, include the operation of a personal assistant registry, benefits advocacy, teaching independent living skills, peer support, housing and independent living counseling, information and referral. Funds are also requested to continue the delivery of CRIL's housing services program for persons with disabilities which includes the provision of housing listings, information about housing rights, and advocacy (and self-advocacy) training. CRIL proposes to serve a minimum of 180 unduplicated Hayward residents with disabilities.

**Social Services and CDBG Funding Previously Awarded to Applicant:**

Fiscal Year	Soc. Svcs. Funding	CDBG (PS) Funding	Total
05-06	\$18,000	\$48,500	\$66,500
04-05	\$18,000	\$48,500	66,500
03-04	\$18,000	\$48,500	66,500
02-03	\$25,000	\$42,000	67,000
01-02	\$25,000	\$40,000	65,000

**Comments:****Human Services Commission:**

CRIL is the primary provider of independent living services to the broadest range of persons with disabilities in Hayward. The Commission recognizes that this agency continues to provide quality services which address an important and continuing need in the community. For many years CRIL's housing-related services had been supported using City CDBG funds. This component was added to Social Services proposal this year resulting in a more comprehensive and integrated application which the Commission believes justifies a grant that is significantly larger than average. It is expected that there will be some cost savings associated with the administration of a single Social Services contract. The Commission also recommends that this applicant be placed on a Secondary Consideration List so that if funds that are allocated to one or more grantee(s) become available at a later date, this project can be reconsidered for additional funding up to the amount requested.

**CED Staff:**

Staff concurs with the Commission's recommendation regarding the allocation of FY 2006-07 Social Services Funding.

**Applicant:** Davis Street Family Resource Center  
**Project:** Hayward Basic Needs Services Project

**Amount Requested:** \$5,000  
**Human Services Commission (HSC) Recommendation:** 5,000  
**CED Staff Recommendation:** 5,000

**Agency Description:**

The mission of the Davis Street Family Resource Center (DSFRC) is to improve the quality of life of lower-income residents of the Eden Area through short and long-term assistance. The agency helps lower-income families to help themselves by providing a comprehensive array of support services designed to create a safety net for those who are most vulnerable while promoting self-sufficiency.

**Summary of Project Proposed for FY 2006-07:**

The Davis Street Family Resource Center proposes to provide a minimum of 500 unduplicated lower-income Hayward residents with food, clothing, employment training and job placement, acute medical care (for uninsured and underinsured adults and children), assistance with enrollment into the Healthy Families health insurance program, subsidized child care services, mental health services, utility assistance, emergency motel vouchers, case management and referral services, holiday toy and food basket programs, volunteer tax assistance and economic literacy workshops.

**Comments:****Human Services Commission:**

The Commission recommends funding be granted in the amount requested. Over 500 Hayward residents will be able to access the wide variety of services offered using public transportation and the free shuttle service available from BART to the Davis Street center.

**CED Staff:**

Staff concurs with the Commission's recommendation regarding the allocation of FY 2006-07 Social Services Funding.

**FY 2006-07 SOCIAL SERVICES FUNDING RECOMMENDATIONS****Proposal #: 8**

**Applicant:** East Bay Agency for Children  
**Project:** Child Assault Prevention (CAP) Training and School-Based Mental Health Services

**Amount Requested:** \$40,000  
**Human Services Commission (HSC) Recommendation:** 15,100  
**CED Staff Recommendation:** 15,100

**Agency Description:**

The East Bay Agency for Children (EBAC) provides mental health services, violence prevention workshops, after-school academic and enrichment activities, case management and family support services that prepare children to succeed in school, assist families through times of crisis, and provide therapeutic intervention to children who have suffered from abuse and/or neglect.

**Summary of Project Proposed for FY 2006-07:**

Social Services funding is requested to support the provision of school-based mental health services for a minimum of 50 lower-income Hayward elementary school-aged students at Bowman, Burbank, Cherryland, Glassbrook, Harder, Park and Shepherd Elementary Schools. Additionally, EBAC's Child Assault Prevention (CAP) project proposes to reach a minimum of 3,555 lower-income Hayward children at these same schools through classroom-based child assault prevention workshops.

**Social Services and CDBG Funding Previously Awarded to Applicant:**

<b>Fiscal Year</b>	<b>Soc. Svcs. Funding</b>	<b>CDBG (PS) Funding</b>	<b>Total</b>

**Comments:****Human Services Commission:**

The on-campus mental health counseling services offered to low-income Hayward children who are not eligible for MediCal or other third party payer coverage is viewed by the Commission as the most critical component of this proposal. Consequently, funding is recommended in the same amount that was allocated in FY 2005-06 to continue support for that service. The Commission also recommends that this applicant be placed on a Secondary Consideration List so that if funds that are allocated to one or more grantee(s) become available at a later date, this project can be reconsidered for additional funding up to the amount requested.

# FY 2006-07 SOCIAL SERVICES FUNDING RECOMMENDATIONS

Proposal #: 9

**Applicant:** Eden Information and Referral  
**Project:** Community Housing and Information Network (CHAIN) Phone Line, and Motel Voucher Program

**Amount Requested:** \$35,000  
**Human Services Commission (HSC) Recommendation:** 35,000  
**CED Staff Recommendation:** 35,000

## Agency Description:

Eden I&R provides information regarding, and referrals to, over 1,250 housing and human service organizations throughout Alameda County. In-depth assessments are made by Eden I & R staff when individuals inquire about needed services so that all of the client's needs are noted and appropriate referrals are made; assistance in making successful connections with service providers is offered when needed.

## Summary of Project Proposed for FY 2006-07:

Social services funding is requested to support two Eden I & R projects: 1) the Community Housing and Information Network (CHAIN) Line which uses a database of over 51,000 units of housing, including available shelter space, that is updated daily -- calls are free to the caller and confidential; and 2) the Motel Voucher Program which will provide a minimum of 85 bed-nights free to homeless Hayward individuals and families who need temporary emergency housing.

## Social Services and CDBG Funding Previously Awarded to Applicant:

Fiscal Year	Soc. Svcs. Funding	CDBG (PS) Funding	Total
05-06	\$35,000 (CHAIN and Motel Voucher Project)	\$35,000 (Roving Housing Resources Project)	\$70,000
04-05	20,000 (CHAIN Project)	35,000 (Roving Housing Resources Project)	55,000
03-04	10,000 (CHAIN Project)	0	10,000
02-03	10,000 (CHAIN Project)	35,000 (Roving Housing Resources Project)	45,000
01-02	10,000 (CHAIN Project)	25,000 (Roving Housing Resources Project)	35,000

## Comments:

### Human Services Commission:

The CHAIN Line continues to provide reliable, timely and accurate referral information and telephone-based case management to low-income Hayward residents. Many social service providers rely on Eden I & R to help serve their own constituents. In FY 2005-06, the Motel Voucher program was added and, combined with Eden I & R's existing social and emergency shelter-related services, the resulting comprehensive program addresses both short-term and long-term needs of many low-income Hayward residents. The Commission recommends that the full amount requested be granted in FY 2006-07.

The requested funds will allow HARD and HUSD to continue the Longwood YEP project. It is expected that a minimum of 80 low-income Hayward children will benefit from this program.

**Comments:****Human Services Commission:**

The Commission supports this proposal to assist low-income disadvantaged Hayward day laborers by A) teaching them about their legal rights as workers; B) serving as an advocate and mediator pertaining to the issues of unpaid wages and other benefits; and C) helping workers and their families access other community services by partnering with the South Hayward Neighborhood Collaborative's Family Resource Center. The Commission further supports making these legal services more accessible to Hayward residents by establishing an office in Hayward. The Commission also recommends that this applicant be placed on a Secondary Consideration List so that if funds that are allocated to one or more grantee(s) become available at a later date, this project can be reconsidered for additional funding up to the amount requested. The applicant is encouraged to also develop and implement strategies that will address the concerns of the neighborhood residents and local businesses affected by the congregation of workers seeking employment.

**CED Staff:**

Staff concurs that addressing the needs of day laborers in Hayward is important. However, as is noted by the Commission, this is a multi-faceted issue that raises concerns not only for the workers, but for local businesses, neighborhood residents, and the larger community as well. In lieu of funding this project at this time, staff recommends that the \$10,000 be set aside by the City Council for the purpose of developing a more comprehensive strategy designed to address those impacted by these issues.
